Liu E. Y. (September 2022) “*Relational Consequences of Emotion Granularity*”. Talk at Yale Department of Psychology Eighth Annual First-year Symposium, New Haven, Connecticut, USA

Liu E. Y. (July 2022) Applying to Graduate School. One of the panelists to talk at the Yale Department of Psychology 3rd Annual Research Psychology Bootcamp (serving over 2000 primarily underrepresented minority undergraduate and post-graduate attendees)

TEACHING EXPERIENCES

Graduate Teaching Fellow, PSYC 110: Introduction to Psychology (Instructor: Stephanie Lazzaro), Spring 2024

Graduate Teaching Fellow, PSYC 315: Modern Unconscious (Instructor: John Bargh), Fall 2023

Graduate Teaching Fellow, PSYC 237: Research Methods with Diverse Samples-Writing Intensive (Instructor: Maria Gendron), Spring 2023

Graduate Teaching Fellow, PSYC 110: Introduction to Psychology (Instructor: Stephanie Lazzaro), Fall 2022

Undergraduate Instructional Assistant, PSYC 71: Laboratory in Psychological Research Methods (Instructor: Emma Geller), Fall 2020

Group Workshop Facilitator for Math and Science Tutorial Program, Office of Academic Support and Instructional Services (OASIS), UC San Diego, Fall 2018 – Fall 2020

Language Conversation Host, UC San Diego International House, Spring 2019 – Spring 2020

ADVISING/MENTORING

Research Assistants/Undergraduate students: Doris Chi (2024-), Yilin Kong (2024-), Christen Wu (2024-), Yifang Li (2024-), Anda Zhao (2024-), May Lee (2023-), Andy Huang (2023-), Yichi Liu (2023-), Kyle Sheng (2023-), Yizhou Lu (2023-), Brenda Leal (2023-), Ardun Yum (2023-), Devika Kothari (2023-), Jan Vacek (2023-2024), Marie Bong (2022-2024), Ruhi Khan (2022-2024), CJ Vincent (2022), Brent Brice (2022), Eric Kim (2021-2022), Yabi Degefu (2021-2022), Serena Cheng (2021-2022), Samuel Santana (2021-2022), Shao (2021), Benjamin Chong (2021), Mona Chen (2021), Ioanna Panopoulou (2021), April Azusada (2021)

PROFESSIONAL AFFILIATIONS AND SERVICES

Professional Affiliations:

Society for Personality and Social Psychology; Society of Affective Science; American Psychological Association; Association of Psychological Science; International Association for Cross-cultural Psychology

Institutional Services:

Co-chair, Yale Department of Psychology Diversity, Equity, and Inclusiveness (DEI) Committee

August 2023 – August 2024

Member, Career Development Leadership Program, Yale Office of Career Strategy

August 2023 – Present

Diversity Committee Member

September 2021 – Present

Co-organizer, Yale Department of Psychology Graduate School Alumni Panel

April 2023, 2024

Co-organizer, Yale Department of Psychology Social Current Work Series

August 2022 – May 2023

Co-Lead, Pipeline Newsletter Initiative, Yale Department of Psychology DEI Committee

August 2022 – May 2023

Committee on Racial Equity and Justice (CREJ) Committee Member

August 2022 – May 2023

Mentor, Yale Department of Psychology Graduate School Mentorship Program

August 2022 – May 2023

Mentor, Yale Department of Psychology Sneak Peek Program

September 2021 – May 2022

Member, Yale Office of Career Strategy, PhD Podcast

September 2021 – May 2022

Outside of Institutional Services:

Chair, Society of Affective Science Student Committee

June 2024 - Present

Co-Vice Chair, Society of Affective Science Student Committee

June 2023 – June 2024

Reviewer, 2023 Society of Affective Science Diversity Award

Graduate Student Member at Large, Society of Affective Science Student Committee

September 2022 – May 2023

OTHER EXPERIENCES

Lab Manager, Social Cognition Lab (PI: Piotr Winkielman), UC San Diego

December 2019 – June 2021

Lab Manager, The Emotion Lab (PI: Christopher Oveis), Rady School of Management

September 2019 – June 2021

Cultural Ambassador, UC San Diego International House

September 2019 – June 2021

Council Representative, UC San Diego Warren College Honors Council

September 2019 – June 2021

Lead Career Peer Educator, Career Center, UC San Diego

September 2018 – June 2021

Research Assistant, Language Production Lab (PI: Victor Ferreira), UC San Diego

June 2020 – April 2021

Vice President of Internal Affairs, Phi Beta Lambda, UC San Diego

September 2018 – June 2020

Student Honors Intern, Human Capital Strategy Group, U.S. Securities and Exchange Commission

June 2019 – August 2019

SKILLS

Languages: Advanced writing, speaking, reading, and listening in Mandarin and English

Technical software: Experienced in using statistical programs (e.g. R, SPSS, Mplus, JASP, JMP, MATLAB, Stata, Python, BORIS), online survey and distribution programs (Qualtrics, Surveymonkey, MTurk, Credamo, SONA), Psycopy, Adobe Illustrator, and Microsoft Office programs.

Statistical Analysis Highlights: Experienced in analyzing longitudinal datasets (multilevel modeling) and dyadic datasets (APIM modeling), natural language processing (topic modeling, word embeddings), latent profile analysis (single- and multi-level), exploratory and confirmatory factor analysis, network analysis.
